Trágy: ekz court case

Dear Mr. [REDACTED], Hanna and Robi,

Let me inform you that the: [REDACTED] Court accepted our arguments and repealed the debated tax decision. The court pointed out that the tax authority is obliged to take into account its earlier decision which said that the invoice was justified. Based on the relevant legal rules the tax authority has no legal opportunity to ignore their earlier decision wich finally closed the legal relationship of the contracting parties

i will recieve the written court decision within 40-45 days.

If you have any further questions in connection with the case please don't hesitate to contact me at your convenience.

Yours sincerely

Dr. Géza Somos
